The first round of review will be done by the SAC secretariat to ensure that all the documents are in place before the application will be submitted to the Register Board for evaluation at the monthly meeting. Once the Register Board approves, it will then be tabled for official approval before the EXCO. Generally, it takes on average about 1 – 2 months to obtain approval.

Once the approval is completed, you should receive an in-principle approval email (from admin@sacsingapore.org) and a payment invoice from finance@sacsingapore.org within fourteen (14) working days. **Kindly refrain from making any advance payment prior to receiving the official invoice from us. Please let us know if there are any errors to the invoice prior to payment.** The invoice **must** be paid in order to receive the renewal certificate.
